

### Message from the Principal

**Dates to Remember** - Please look at the bottom of this newsletter for important dates.

### Wheels & Mufti Day

This Friday 20th December, we will be holding a **'Wheels Day'** for all students where they can bring their own 'wheels' to school. This includes push bikes (must bring a helmet with bike), scooters and rollerblades. All other wheel participants are encouraged to also bring a helmet, together with other safety equipment.

All bikes, scooters and helmets must be named clearly and will be locked by the Dinosaur Wall - **PLEASE NAME YOUR WHEELS.**

Please remember that students must not ride into the school - bikes and scooters must be wheeled in.

It is also a mufti day and we are asking for gold coin donations. All proceeds will go towards the **Hawkes Bay Helicopter Rescue Trust**. Children may also like to wear their House T-Shirts on this day.

We have lots for sale in the school office and these are \$20 each.

### New Students commencing in Term 1, 2021

Management is in the process of planning classes for next year. All new students who will be attending Peterhead in 2021 need to be enrolled now. Please pick up an enrolment form from the school office and return this with a Birth Certificate and Immunisation form as soon as possible.

Don't forget that we now have **Cohort Entry** which means we have two start dates for new entrants each term - if your child has turned five before 3rd February 2021 then they will commence this day. If they turn five after this date then they will commence in week six.

### Athletics day tomorrow, 17 Nov

This is a whole school event and children will be travelling by bus at 9am to the Hawke's Bay Regional Sports Park (Athletics centre). If your child misses the bus, you will need to transport them there yourself.

The Juniors will return by 11:30 and the rest of the school will return by 2pm approximately. Whanau are welcome to come along, but please remember to let the teacher know if you decide to take your child home after the event.

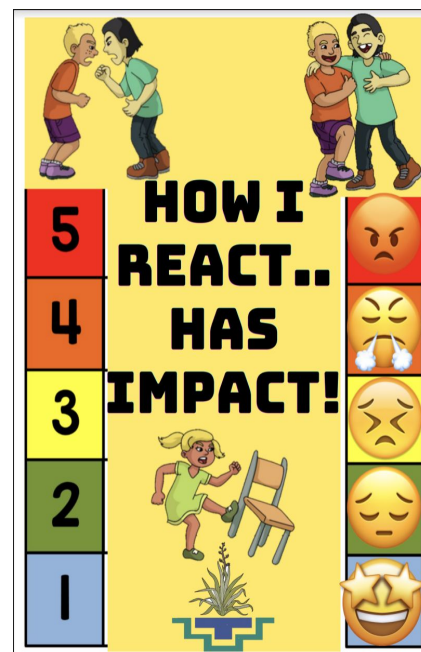

We will have our QR code so don't forget to scan or sign in when you arrive.

### Taiohi Activity Week

On Wednesday we have the final of our rotations. Group 1 - Onekawa Pools, Group 2 - Golf and Flip Out, Group 3 - The Movies. The students have been having a great time, pop onto the school Facebook page to see what they have been up to.

Our focus for this week is **How We React Has Impact**. We are thinking about how we react to our problems and matching the reaction to that problem. We are working on reacting appropriately.
